NOTICE OF VIOLATION

N.J.A.C.7:26-2.2.5 requires that:

"Prior to May 1 in each calendar year, each registrant shall submit to the Department, a statement updating the information contained in the initial registration statement. This update shall be on forms furnished by the Department. In no case shall submission of an updated statement alter the requirements of 7:26-2.2.4."

N.J.A.C.7:26-2.2.7 states that:

"The failure to submit an update registration statement and to submit all applicable fees (see 7:26-4) on or before July 1 of each calendar year shall be sufficient cause to revoke the approved registration of a solid waste facility."

Records of this office indicate you have failed to submit the required "Annual Operational Statement for a Solid Waste Facility" (formerly titled "Registration Statement for a Solid Waste Facility") by the specified date. In order for the Solid Waste Administration to fulfill its legal obligation under P.L.1975, chapter 326, it must obtain the Operational Statement. Failure to submit such a statement could result in the exclusion of your facility from consideration in the statewide and countrywide planning activities under chapter 326.

We will hold our records open until July 29, 1977 so that you may meet your obligation. Failure to comply by that date will result in enforcement action by the Solid Waste Administration, including fines of up to \$1,000 per day and possible loss of operating authority.

Sincerely,

OUT OF BUSINESS
